NATIONAL HANDBOOK OF CONSERVATION PRACTICES – NEW YORK

NOTICE 146

This notice transmits changes in the eFOTG and instructions for filing Conservation Practice Standards. For offices retaining a hardcopy of the National Handbook of Conservation Practices (NHCP) file this notice in numerical order in the front of the NHCP. File the practice standards in alphabetical order.

			Lighting System Improvement		10/2013
			Building Envelope Improvement		10/2013

The New York Conservation Practice Standards Committee, in consultation with partner agencies including the New York State (NYS) - Soil and Water Conservation Committee of the Department of Agriculture and Markets, NYS-Department of Environmental Conservation, Cornell University, and others has developed New York Conservation Practice Standards. These practice standards have been edited for use in New York to meet local natural resources conditions.

 Edward I. Henry
 State Resource Conservationist
