Henry Fisher, Geologist, has updated the table of riprap sources for Ohio. It can be found at the e-FOTG site in Section I, B. References, 5. Geology, "Suitability of Quarry Rock for Use as Riprap (Use w/ Tech. Note 2)."

e-FOTG can be accessed from this link

[http://www.oh.nrcs.usda.gov/technical/ohio\\_eFOTG.html](http://www.oh.nrcs.usda.gov/technical/ohio_eFOTG.html) or by going directly to my.NRCS at <https://my.nrcs.usda.gov/> and selecting the Technology tab.
