**FIELD OFFICE TECHNICAL GUIDE NOTICE OK450- 190**

**SUBJECT: Release new Common Resource Area Maps, Conservation System Guides, Section III RMS documents, CPPEs, and Indices for section I, III, and V.**

**Effective Date:** Effective when received.

**Explanation of Changes.** A new Common Resource Area (CRA) map has been developed according to national guidance. Along with the new CRA map, a new set of Conservation System Guides have been developed. These guides will replace the Conservation Management Systems developed in the late 1990's. Some of the CPPE worksheets have been updated to reflect name or code number changes in practice standards.

**Filing Instructions.** The pages that are removed can be discarded.
