FIELD OFFICE TECHNICAL GUIDE NOTICE OK450-177

SUBJECT: Release of Revised Standards and Index for Section IV of the Field Office Technical Guide (FOTG), Release of the WIN-PST Computer Program, Release of the Revised Pest/Brush Management form OK-CPA-16.

Effective Date: Effective when received.

Explanation of Changes: There are five new standards released with this notice. Other standards have been updated to make corrections and to reflect national standard changes. The IT section has been loading the WIN-PST computer program on to Field Office systems. Zone Resource Specialists are currently loading Oklahoma databases and conducting hands-on training on the WIN-PST program as they schedule visits to Field Offices. Therefore, the Pest Management standard (595) and use of WIN-PST will be effective June 1, 2004. Field Offices will need to load the new OK-CPA-16 form to their computer systems. It will be posted on eFOTG.

Filing Instructions: The index and pages that are removed can be discarded. File the enclosed index and standards in Section IV of the Field Office Technical Guide.
