FIELD OFFICE TECHNICAL GUIDE NOTICE OK450-222

SUBJECT: Release revised standards for Shallow Water Development and Management for Wildlife (646), Upland Wildlife Habitat Management (645), Pasture and Hay Planting (512), Job Sheets for Shallow Water Development and Management for Wildlife (JS 646 01), Pasture and Hay Planting – Bermudagrass (JS 512 03), Pasture and Hay Planting – Tall Fescue (JS 512 04), Pasture and Hay Planting – Weeping Lovegrass (JS 512 05), Habitat Evaluation Guides for Bobwhite Quail and White-Tail Deer, Oklahoma Index for Section IV, and Section I – Index - Reference List.

Effective Date: Effective when received.

Explanation of Changes: The Oklahoma standards for Shallow Water Development and Management for Wildlife (646) and Upland Wildlife Habitat Management (645) have been revised due to changes in the national standards. The Pasture and Hay Planting (512) standard has been revised due to an error in the final version released in FOTG Notice 221. The planting dates for weeping and sand lovegrass were incorrect and have been corrected. New job sheets for Shallow Water Development and Management for Wildlife (JS 646 01), Pasture and Hay Planting – Bermudagrass (JS 512 03), Pasture and Hay Planting – Tall Fescue (JS 512 04), and Pasture and Hay Planting – Weeping Lovegrass (JS 512 05) have been developed. The Oklahoma Index for Section IV has been revised and updated accordingly. Section I – Index - Reference List has been updated to include the two new Wildlife Habitat Evaluation Guides for Bobwhite Quail and White-Tail Deer.

Filing Instructions: All the above documents can be accessed on the Oklahoma eFOTG website.
