FIELD OFFICE TECHNICAL GUIDE NOTICE OK450- 230

SUBJECT: 2008 OSU Extension Agents Handbook

Effective Date: Effective when received.

Explanation of Changes: The 2008 OSU Extension Agents Handbook has been released by OSU and is now available in eFOTG. The Handbook is used as guidance for planning and application of Pest Management (595) and Brush Management (314) practices. The handbook is only available to NRCS employees and will not be available on the eFOTG public site per agreement with OSU. NRCS employees must login through My.NRCS in order to view the handbook. The full version of the handbook has been posted in Section I under Reference Materials, Other References. An abbreviated version containing only the brush and weed control options on pasture and range has been posted in Section IV within the pest management (595) and brush management (314) practice folders for easy access. All recommendations made from the handbook must be provided through appropriate planning forms (OK-CPA-16), practices narratives, job sheets, etc. Copies from the handbook are not to be provided to clients.

Filing Instructions: The above documents can be accessed on the Oklahoma eFOTG website.
