SUBJECT: Technical Guide Notice No. 89

DATE: December 27, 2004

TO: All Holders of the PA Technical Guide

FILE CODE: 450-11

**Purpose:** To distribute the Feed Management Standard and Specification (592) for use as part of the Pennsylvania Field Office Technical Guide

**Background:** This standard will be used in assisting producers with better feeding practices to more efficiently and effectively manage their livestock operations for better nutrient management and an increased level of livestock production for improved farm economics.

**Additional Information:**

**Filing Instructions:** An Electronic version of this notice is filed in eFOTG.
