SUBJECT: Technical Guide Notice No. 125

DATE: March 10, 2008

TO: All Holders of the PA Technical Guide

FILE CODE: 450-11

Purpose: To release the revised NRCS PA 391 Riparian Forest Buffer Conservation Practice Standard and Statement of Work and newly developed 391 Specification and Job Sheet.

Background: This revision of the 391 Standard replaces the May 1998 version. A Specification has been developed and should be used for writing site specific practice plans. The Job Sheet has been reformatted to assist check out and certification of the practice, design and installation requirements. A revised Statement of Work also is included to describe the deliverables for designing, installing, and check out of the practice.

Access Instructions:

The Pennsylvania eFOTG can be accessed at the following web address:

<http://efotg.nrcs.usda.gov/treemenuFS.aspx>. The official version of the FOTG is what appears in Pennsylvania's eFOTG. This notice is filed under Section 1 of the Tech Guide and the Practice Standard, Specification, Job Sheet and Statement of Work are filed under Section IV.
