

SUBJECT: TECHNICAL GUIDE NOTICE NO. 35 DATE: November 28, 1997
TO: ALL HOLDERS OF THE PA FILE CODE: 450 - 11
TECHNICAL GUIDE

Purpose. To transmit "Vegetating with Native Grasses in Northeastern North America."

Filing Instructions. File the enclosure as Technical Reference Number 110. This is a new publication made available by NRCS and Ducks Unlimited Canada. NRCS Plant Materials Specialists, John Dickerson (New York) and Chris Miller (New Jersey) were involved in the development of this publication. It will be useful in providing guidance to producers in establishing and managing native grasses in Pennsylvania.

Be sure to complete the registration of this manual according to instructions inside the front cover of the notebook.

File this notice in the front part of Section I/II of the PATG and indicate receipt on PATG Change Notice Register found in the same location.

General. The number of copies of this publication were limited to only allow distribution to each field office and technical office. Several copies have been retained in the State Office for use by Specialists and to share with Cooperating Agencies.

A limited number of copies is available through NRCS, you may contact Joel Myers at (717)237-2220. Additional copies may be obtained by contacting Brent Wark of Ducks Unlimited Canada at (204)729-3517 at Box 8, RR1, 2034 - Currie Blvd Brandon, Manitoba, R7A 5Y1. The approximate cost is \$15.00.
