TO: All Holders of PA Technical Guide

Subject: Technical Notice No. 50

May 26, 1999

Purpose: To Transmit New References

Background: "Preserving Trees in Development Projects" and the Forest Buffer Toolkit" are for your use in assisting landusers who are interested in establishing or maintaining trees as a conservation buffer. This information is consistent with the "Chesapeake Bay Forest Riparian Handbook" that was issued as Technical Reference Number 114.

Copies are being provided to all NRCS Offices. The Forest Buffer Toolkit has been distributed to Conservation District Offices and other agencies by the Department of Environmental Protection. Additional copies of "Preserving Trees in Development Projects" can be obtained through the Penn State Cooperative Extension Service.

Filing Instructions: File these references with your other technical references. List these references in Section I under numerical reference number 115 for "Preserving Trees in Development Project" and number 116 for the "Forest Buffer Toolkit".
