

**SUBJECT:** TCH - Technical Guide Notice No. 53

**DATE:** January 27, 2000

**TO:** All Holders of the PA Technical Guide

**FILE:** 450-11

**Purpose:** To distribute a brochure from the Pennsylvania Historical and Museum Commission.

**Background:** The referenced document is entitled, "Discovering Pennsylvania's Archeological Heritage" by Dr. Barry C. Kent of the Pennsylvania Historical and Museum Commission. It has an excellent outline of the State's prehistoric archaeology and stone artifacts, but only a passing mention of the historic archaeological resources.

**Filing Instructions:** File with the Pennsylvania Technical Guide, Section 1 as Reference 118.

**General:** The number of copies of this publication were limited to only allow distribution to each Technical Center, Field Office, RC&D Office and State Office. Additional copies may be purchased through the Pennsylvania Historical and Museum Commission to the attention of the Publications Department at 717-783-2618 or fax to 717-787-8312. The approximate cost per copy is \$4.95 plus shipping charges.
