**SUBJECT:** Technical Guide Notice No. 71 -- ADDENDUM

Date: August 14, 2002

**To:** All Holders of the PA Technical Guide

File Code: 450-11

**Purpose.** To add to and amend the Technical Guide Notice No. 71

- a. Standard 484 – Mulching (with tables) was attached to Notice 71 but not listed.
- b. Standard 412 – Grassed Waterway was listed but not attached. It is now attached.
- c. Standard 521B – Pond Sealing or Lining – Soil Dispersant was listed but not attached. It is now attached.
- d. Standard 342 – Critical Area Planting – Specification and Tables are now attached.

**Background.** Revised Conservation Practice Standards have been developed to replace existing practice standards in Section IV of the PA Tech Guide. These new standards are consistent with the appropriate National Standard and current Pennsylvania Technology.

The new standards are to be implemented immediately.

**Filing Instructions.** Replace existing standards, as shown above, with the attached versions. For Standard 342, add Specification and Tables to standard previously received.

The Section IV Index should be updated for the new practice standard dates.
