SUBJECT: Technical Guide Notice No. 85

DATE: December 2, 2004

TO: All Holders of the PA Technical Guide

FILE CODE: 450-11

Purpose: To distribute the publication “Understanding Grass Growth: The Key to Profitable Livestock Production” for use as reference materials in providing technical assistance for grazing.

Background: Understanding grass growth is important in supplying technical assistance to develop grazing systems. This publication has good background material in for referencing when planning and providing follow-up to grazing livestock producers.

Additional Information:

Filing Instructions: An Electronic version of this notice is filed in eFOTG.
