Pacific Islands Area FOTG Notice PI-2

SUBJECT: DISTRIBUTION OF PACIFIC ISLANDS AREA SECTION III DOCUMENTS

The acronym for the Pacific Islands Area FOTG Notices has been changed from PIA to PI.

Enclosed are new or revised Section III documents. Note that because the contents of the West Area (formerly Hawaii) FOTG Section III is so different from the East Area (formerly Pacific Basin) FOTG Section III, it was not possible to completely merge and develop one set of Pacific Islands Area documents for Section III, at this time. Thus, each area will have different Section III contents for now, with their own area Table of Contents, and some Pacific Islands Area documents and some documents which apply only to the East Area or the West Area. American Samoa should still use the West Area Section III documents.
