

**NATURAL RESOURCES CONSERVATION SERVICE  
CONSERVATION PRACTICE DOCUMENTATION REQUIREMENTS**

**TREE/SHRUB SITE PREPARATION**

(ac.)  
CODE 490

**PLANNING REQUIREMENTS**

- A. Examine the site prior to treatment to determine degree of site preparation needed for the species to favor or establish.
- B. Describe the expected site preparation methods and the extent needed. Show on a map or aerial imagery as appropriate.

**PERFORMANCE**

- A. Examine the site after treatment to evaluate adequacy for natural regeneration or suitability for planting.
