

# **INTRODUCTION**

## **SECTION II**

### **CULTURAL RESOURCE INFORMATION**

This section will contain information about Natural Resources Conservation Service (NRCS) requirements for cultural resources while conducting resource planning efforts.

NRCS policy and procedures for cultural resources are contained in the General Manual, Section 420, Part 401 - Archeological and Historic Properties (Cultural Resources).

Documentation of cultural resources for projects will be filed in the county Cultural Resources File under Social Sciences (420).

Documentation information for cultural resources sites is exempt from the Freedom of Information Act and is protected information. NRCS personnel will take all necessary steps to insure this information is protected.
