**SOUTH DAKOTA TECHNICAL GUIDE (SDTG)  
NOTICE SD-329**

**SECTION IV**

The following Documentation Requirements were inadvertently omitted from the October 6 issuance of Section IV and are being issued today:

- Wetland Creation (658)
- Wetland Enhancement (659)
- Wetland Restoration (657)

The Conservation Practice Standard and the Statement of Work for Woody Residue Treatment (384) have been revised to include information provided by the South Dakota Department of Agriculture.

A handwritten signature in blue ink, appearing to read "Janet Oertly".

JANET L. OERTLY  
State Conservationist
