**SOUTH DAKOTA TECHNICAL GUIDE (SDTG)
NOTICE SD-380**

SECTION I

Range Technical Note No. 7, Fence, has been updated in FOTG under Section I, All Technical Notes, Range.

The General Purpose standard drawing was updated. Also, 1 5/8 inch x 8 feet steel rod was added for the horizontal member of an H-brace, and steel pipe used in an H-brace does not need to be galvanized.
