**SOUTH DAKOTA TECHNICAL GUIDE (SDTG)
NOTICE SD-381**

SECTION II

The following folder contents have been placed in the FOTG under Section II, Soil Survey Information in a new, easy to read format. No information has been changed, added, or deleted.

- Highly Erodible Land

The following information has been placed in the FOTG under Section II, Cultural Resources Information, South Dakota Cultural Resources Procedures Manual.

- Exhibit 1 (9/2014) of the State Level Agreement (SLA)

This is a revised version of Exhibit 1 (9/2014) of the State Level Agreement (SLA) (December 2013) between the SD State Historic Preservation Office and the SD Natural Resources Conservation Service (NRCS). This revision accommodates practice name, number, or standard changes that routinely happen throughout the year. Please update your files as the older version (in 12/2013 SLA) is now obsolete.

The following information has been placed in the FOTG under Section II, Cultural Resources Information, SD-SSC-1 and SD-SSC-2 Cultural Resources Database.

- SD-SSC-1 and SD-SSC-2 Cultural Resources Database FY2015

The SD-SSC-1 and SD-SSC-2 Cultural Resources Database FY2015 has had practice names/numbers and some program names revised for use for all cultural resource projects in Fiscal Year 2015. Please discontinue use of the FY2014 version.

For your convenience, a FY2015 cultural resources folder containing these items has been placed in the cultural resource section of each field offices' shared drive.

Please contact Dana Vaillancourt, State Cultural Resource Specialist, at (605) 352-1217, if you have questions.
