**SOUTH DAKOTA TECHNICAL GUIDE (SDTG)
NOTICE SD-344**

SECTION II

Attached is the revised version of Exhibit 1 (9/2012) of the State Level Agreement (SLA) (May 2012) between the South Dakota (SD) State Historic Preservation Office and the SD Natural Resources Conservation Service (NRCS). This revision accommodates practice name, number, or standard changes that routinely happen throughout the year. Please update your files as the older version (in the body of the 5/2012 SLS) is now obsolete. This has also been placed in the SD Technical Guide (FOTG), Section II, D. Cultural Resources Information, under the folder SD Cultural Resources Procedures Manual. A pdf copy of Exhibit 1 is attached.

Also, the SD-SSC-1 and SD-SSC-2 Cultural Resources Database FY2013 has had practice names/numbers and some program names revised for use for all cultural resource projects in Fiscal Year 2013, and has been placed directly in the FOTG, Section II, D. Cultural Resources Information under SD-SSC-1 and SD-SSC-2 Cultural Resources Database. Please discontinue use of the FY2012 version. A copy of this Access database in WinZip format is attached.

Please contact Dana Vaillancourt, State Cultural Resource Specialist, at (605) 352-1217, if you have questions.

The following Highly Erodible Land Tables have been updated: Brookings, Minnehaha, and Spink. Please remove any associated tables with these three counties.
