TECH DEV APPL 450-15-ISSUE-391

September 10, 2010

SUBJECT: Virginia Field Office Technical Guide – Section III

Purpose: To transmit updated roster of Virginia employees qualified with Wetland Job-Approval Authority under Section III of the eFOTG.

Effective Date: Upon receipt.

Filing Instructions: The roster will be filed in Section III of the FOTG, “Legislated Programs, Job Approval Authority”. Prior version of this roster should be discarded.

Explanation: Certified wetland determinations must be completed by a qualified NRCS employee per the National Food Security Act Manual, Fourth Addition, Part 415, Subpart A, 514.1 B. The State Conservationist is responsible for maintaining a roster of qualified employees in Section III of the FOTG.

JOHN A. BRICKER
