

STATEMENT OF WORK
Amendments for Treatment of Agricultural Waste (591)
Virginia

These deliverables apply to this individual practice. For other planned practice deliverables refer to those specific Statements of Work.

DESIGN

Deliverables:

1. Design documentation that will demonstrate that the criteria in NRCS practice standard have been met and are compatible with other planned and applied practices.
 - a. Identify, discuss and document client needs and recommend method of resolution.
 - b. Practice purpose(s) as identified in the conservation plan.
 - c. List of required permits to be obtained by the client.
 - d. List of associated practices (conservation practice name and code).
 - e. Practice standard criteria related computations and analyses to develop plans and specifications including but not limited to:
 - i. Type and amount.
 - ii. Method of application and Frequency.
 - iii. Environmental Considerations (e.g. location, water quality, air quality).
2. Provide written plans and specifications, including sketches and drawings, to the client that adequately describe the requirements to install the practice and obtain necessary permits. Develop plans and specifications in accordance with the requirements in the Virginia NRCS Conservation Practice Standard *Amendments for Treatment of Agricultural Waste (Code 591)*.
3. Operation and Maintenance Plan.
4. Certifications that the design meets practice standard criteria and comply with applicable laws and regulations (NEM VA505.03, Amendment VA-22).

INSTALLATION

Deliverables

1. Pre-installation conference with client and contractor.
2. Verification that client has obtained required permits.
3. Installation guidance, as needed.
4. Facilitate and implement required design modifications with client and original designer
5. Advise client/NRCS on compliance issues with all federal, state, tribal, and local laws, regulations and NRCS policies during installation.
6. Certification that the installation process and materials meets design and permit requirements.

CHECK OUT

Deliverables

1. Records of application
 - a. Extent of practice units applied
 - b. Actual materials used
2. Certification that the application meets NRCS standards and specifications and is in compliance with permits (NEM VA505.03, Amendment VA-22).
3. Progress reporting
