September 21, 2006

**FIELD OFFICE TECHNICAL GUIDE (FOTG)
450-VI
AMENDMENT WA 15**

Purpose.

To transmit revised WA-CPA-52, Environmental Evaluation for Conservation Planning

Effective Date. This notice is effective upon received.

Explanation.

Be advised that a revised WA-CPA-52, Environmental Evaluation for Conservation Planning form is available for immediate use. The form is found in Section I, B, References, WA-CPA-52, Environmental Evaluation for Conservation Planning, September 2006. The new form is in an excel program and contains many help sheets and explanations to help guide the planner through the process.

Please direct any questions to your Area Resource Conservationist or to Larry Cooke, Environmental Specialist, 509.323.2964.
