FIELD OFFICE TECHNICAL GUIDE (FOTG)
450-VI, AMENDMENT WA 51

August 30, 2010

Purpose:

To transmit the following updated conservation practice standards and supporting documents to the Washington State eFOTG.

Section I-B Documents	Explanation
Pasture Technical Note 102 – Common Grasses of Western Washington	Provides key diagnostic characteristics and drawings of common pasture and native grasses for western Washington.

Section IV Documents	Explanation
Mulching (484) – Conservation Practice Standard – Conservation Practice Jobsheet – Conservation Practice Specification Guide – Conservation Practice Jobsheet Example – Documentation Checklist – Statement of Work	Adopted conservation practice standard for use in Washington. Provide updated conservation practice Job Sheet, example specification and conservation practice supporting documents.

Section V Documents	Explanation
Mulching (484) – Conservation Practice Physical Effects Worksheet	Revised for Washington State to reflect updates.

Effective Date: This notice is effective upon receipt. These documents are posted to the Washington State eFOTG.

PAUL F. SCALES, JR.
State Resource Conservationist
