

STATEMENT OF WORK
USDA, Natural Resources Conservation Service
Wisconsin

Lighting System Improvement (670)

DESIGN (911)

Deliverables:

1. Design documentation that demonstrates criteria in NRCS practice standard have been met and are compatible with planned and applied practices.
 - a. Practice purpose(s) as identified in the conservation plan.
 - b. List of required permits to be obtained by the client and regulations to be met.
 - c. List of facilitating practices.
 - d. Practice standard criteria-related computations and analyses to develop plans and specifications.
2. Written plans and specifications including drawings shall be provided to the client that adequately describes the requirements to install the practice and obtain necessary permits.
3. Operation and maintenance plan.
4. Certification that the design meets practice standard criteria and comply with applicable laws and regulations.
5. A quality assurance plan describing the type and frequency of any inspection and the documentation required.
6. Design modifications during installation as required.
7. Itemized cost estimate.

INSTALLATION (912)

Deliverables

1. Pre-installation conference with client.
2. Verification that client has obtained required permits.
3. Installation guidance as needed.
4. Application inspections.
 - a. Actual materials used.
 - b. Inspection records per the quality assurance plan.
 - c. Maintaining a job diary with the dates and record of inspections made, instructions provided to the contractor, etc. to document compliance with standards and specifications.
5. Facilitate and implement required design modifications with client and original designer.

CHECKOUT (913)

Deliverables

1. Records of application.
 - a. Extent of practice units applied and the locations.
 - b. Actual materials used.
 - c. Job Diary.
2. Certification that the application meets NRCS standards and specifications and is in compliance with permits.
3. Provide the following information to the NRCS field office servicing the relevant land unit for entry into the Performance Results System (PRS):
 - a. Technical Service Provider Name.
 - b. Customer name.
 - c. USDA program funding the practice (if known).
 - d. Location of work (state, county, conservation district, land tract identifier).
 - e. Land use of field where the practice was installed (cropland, etc.).
 - f. NRCS practice name and quantity of practice installed in appropriate units.
