

**STATEMENT OF WORK**  
**Feed Management (592)**  
**West Virginia**

**These deliverables apply to this individual practice. For other planned practice deliverables refer to those specific Statements of Work.**

## **DESIGN**

---

### **Deliverables:**

1. Design documents that demonstrate criteria in NRCS practice standard have been met and are compatible with planned and applied practices
  - a. Practice purpose(s) as identified in the conservation plan.
  - b. List all required and/or facilitating practices
  - c. Practice standard criteria-related computations and analyses to develop plans and specifications including but not limited to:
    - i. Kind, size and number of livestock
    - ii. Diet recommendations and ration formulation
    - iii. Feed analysis
    - iv. Copy of final Nut-Bal report, if applicable
2. Written narrative describing the specific feed management practices or technologies listed in the NRCS Feed Management (code 592) standard under section titled Plans and Specifications.
3. Specification sheet provided to the client that adequately describes the requirements to apply the practice.
4. Operation and maintenance plan
5. Certification that the design meets practice standard criteria and comply with applicable laws and regulations
6. Design modifications during application as required

## **INSTALLATION**

---

### **Deliverables**

1. Pre-application conference with client
2. Verification that client understands the feed management plan.
3. Application guidance as needed
4. Facilitate and implement required design modifications with client and original designer
5. Advise client/NRCS on compliance issues with NRCS standards during application
6. Certification that the application process and materials meets design and permit requirements

## **CHECK OUT**

---

### **Deliverables**

1. Records of application
  - a. Extent of practice units applied
  - b. Actual materials used
2. Certification that the application meets NRCS standards and specifications and is in compliance with permits
3. Progress reporting
4. Exit conference with client and contractor.
