

STATEMENT OF WORK Structures for Wildlife (649) West Virginia

These deliverables apply to this individual practice. For other planned practice deliverables refer to those specific Statements of Work.

DESIGN

Deliverables:

1. Design documentation that will demonstrate that the criteria in NRCS practice standard have been met and are compatible with other planned and applied practices
2. Practice purpose(s) as identified in the conservation plan
3. List of facilitating practices
4. Practice standard criteria-related inventories and analyses to construct and install Structures for Wildlife and specifications including but not limited to:
 - a. Resource inventories
 - b. Identification of deficient habitat that can be addressed with the installation of artificial structures for wildlife
 - c. Identification of targeted wildlife species in need of structures
5. Detailed implementation schedule, with life-needs of target and non-target species considered as well as seasonal site limitations related to access and construction
6. Specify the number, location, spacing, grade, quantities, dimensions, materials and timing of installation of new or modification of existing structures
7. Operation and maintenance plan, with O&M schedule over the life of the practice.
8. Written plans and specifications including sketches and drawings
9. Certifications that the design meets practice standard criteria.
10. Design modifications during installation as required

Note: Design of practice will be in compliance with practice standard and applicable criteria for the appropriate purpose(s). Practice specification will include the information listed in the "Plans and Specifications" and "Operation and Maintenance" section of the conservation practice standard. The design will document the clients' decisions using narrative and/or job sheet.

INSTALLATION

Deliverables

1. Pre-application conference with client
2. Site selection and installation technique assistance
3. Certification that materials and construction meets design specifications

Note:

CHECK OUT

Deliverables

1. Records of application such as the extent of practice units applied per schedule
2. Certification that the installation meets NRCS standards and specifications
