**West Virginia Technical Guide**  
**FOTG Section IV**  
**450-11**  
**Notice No. 3-10**

**August 30, 2010**

**Purpose:** To inform field and area offices of new or revised conservation practices and materials within Section IV of the West Virginia electronic Field Office Technical Guide (eFOTG).

The documents listed below are new or revised practice standards and associated materials. Previous versions of these documents are archived and should no longer be used for conservation planning.

**Revised WV Practice Standards Table of Contents**  
WV Practice Standards Table of Contents; August, 2010

**New or Revised WV Conservation Practice Standards and Statements of Work (SOW)**

**Nutrient Management (590) – August 2010**

This standard was revised to reflect changes in the WV Phosphorus Index, allow for use of the latest version of WV NUTMAN, allow for soil tests results from other land grant universities and certified labs; change the appendices to worksheets WV AGR WS-A, WV AGR WS-B, and WV AGR WS-C; and change the method of determining Leaching Index Values.

**Roof Runoff Structure (558) - August 2010**

Updated Practice Standard, new General Specifications and new O&M - The title was changed from Roof Runoff Management. Only minor changes made.

**Structure for Water Control (587) - August 2010**

Revised Practice Standard and new O&M – Change addressed requirements for SCE involvement and the use of bio-engineering materials for shallow water structures.

**New/Revised WV Specification Guide Sheet**  
none

**New/Revised WV Job Sheet**  
none

**New/Revised WV Documentation Requirements**  
WVAGR WS- A (590) Nutrient Budget Worksheet

WV AGR WS- B (590) Manure Spreader Calibration  
WV AGR WS- C (590) Phosphorous Index for Nutrient Management – August 2010

none

**New/Revised WV Fact Sheets**

none

**Archived Materials**

WV Practice Standards Table of Contents; June, 2010  
Nutrient Management (590) – April 2005  
Roof Runoff Structure (558) - August 2000  
Structure for Water Control (587) – October 1996

**Effective Date:**

Upon Receipt

The updated standards and job sheets are available on the electronic FOTG. To locate the above information go to <http://www.nrcs.usda.gov/technical/efotg/>, view Access eFOTG and click on WV (see national map on bottom right), view FOTG County Locator and click on WV county, then under FOTG scroll to Section IV and locate either Non-Practice Statements of Work, Technical Notes, Conservation Practices, Tools, Interim Conservation Practice Standards or Archived Conservation Practice Standards and Materials.

If you have any questions or concerns, please contact Patrick Bowen, State Resource Conservationist at (304) 284-7579 or Angela Greene, State Conservation Engineer at (304) 284-7561.

A handwritten signature in blue ink, appearing to read "Kevin Wickey", followed by the text "ACTING FOR" in blue capital letters.

KEVIN WICKEY  
State Conservationist
