Instructions : This updated or revised material is available within Section IV of the eFOTG at: <http://www.nrcs.usda.gov/technical/efotg/>. Statements of Work are available in Section IV of eFOTG under the conservation practice that they represent. Archived standards, statements of work and job sheets are available in Section IV under the subsection entitled “Archived Material”.

Those conservation practices listed under the “**Archived WV Conservation Practice Standards and Tools**” above have been inactivated and archived within Section IV of the eFOTG. Note that the conservation practice standard (490) Forest Site Preparation has been renamed to (490) Tree/Shrub Site Preparation. The interim conservation practice (702i) Agrichemical Handling Facility is available within Section IV of the eFOTG under “Interim Conservation Practice Standards”.

Updated “Table of Contents” for conservation practice standards and interim conservation practice standards have been posted under the corresponding section. If you have any questions, please contact Dick Judy at (304) 284-7561 or Rick Heaslip at (304) 284-7579.
