West Virginia Technical Guide
Section IV
450-11
Notice No. 6-11

August 16, 2011

Purpose:

To inform field and area offices of new or revised conservation practices and materials within Section IV of the West Virginia electronic Field Office Technical Guide (FOTG).

The documents listed below are new, revised or removed practice standards and associated materials. Previous versions of these documents are archived and should no longer be used for conservation planning.

Revised WV Practice Standards Table of Contents

WV Practice Standards Table of Contents 08/11.

New/ Revised WV Conservation Practice Standards

New Practices

Farmstead Energy (374) 08/11
Drainage Water Management (554) 08/11

Revised Practices

Pipeline (516) 08/11- Updated by adding new purpose “Develop Renewable Energy Systems” along with accompanying criteria and references added and smaller pipe sizes allowed when accompanying design with hydraulic computations supports selection.

Spring Development (574) 08/11- Updated with no major changes.

Dam Diversion (348) 08/11- Updated by adding new purpose “Develop Renewable Energy Systems” along with accompanying criteria and other minor changes.

Dam (402) 08/11- Updated by adding new purpose “Develop Renewable Energy Systems” along with accompanying criteria and other minor changes.

Irrigation Pipeline (430) 08/11 – Updated with new “Reduce Energy Use” and “Develop renewable Energy Systems” purpose along with criteria and references and other minor changes.

Irrigation System, Microirrigation (441) 08/11- Updated with new “Reduce Energy Use” and “Develop renewable Energy Systems” purpose along with criteria and references and other minor changes. The allowable filter permissible design head loss was changed and the requirement for an Irrigation Water Management Plan added.

Irrigation System, Sprinkler (442) 08/11- Updated with new “Reduce Energy Use” and purpose along with criteria and references and other minor changes.

Irrigation Water Management (449) 08/11- Updated with new “Reduce Energy Use” and purpose along with criteria and references and other minor changes.

New/Revised WV Statement of Work

Farmstead Energy SOW (374) 08/11
Drainage Water Management SOW (554) 08/11

New/Revised WV Job Sheet, Documentation, Worksheets, O&M, Check Out, Guidance Documents, Etc.

Spring Development (574) General Specifications
Spring Development (574) Operation and Maintenance
