TECHNICAL GUIDE NOTICE WY - 84

Purpose: This notice transmits the revised construction specification for Pond, 378 in Section IV FOTG. The only change in the specification is to paragraph COMPACTION METHODS. Track laying equipment (Bulldozer) will no longer be an acceptable method of compacting earthfill for an embankment pond.

Effective Date. This notice is effective when received.

Filing Instructions: The revised construction specification is electronically filed in the Wyoming eFOTG at this site:
