TECHNICAL GUIDE NOTICE WY - 90

Purpose: This notice transmits the revised Plant Materials Technical Note Number 3.

This Technical Note has been revised:

- To remove Newhy, the quackgrass x bluebunch wheatgrass hybrid.
- To modify bottlebrush squirreltail to indicate that Sand Hollow and Fish Creek cultivars are acceptable with less than 14" precipitation and the Pueblo cultivar is acceptable with 14" or greater precipitation.

Effective Date. This notice is effective when received.

Filing Instructions: The revised technical note is electronically filed in Section I, Part B: Reference Lists, Subpart 11: Technical Notes by Discipline, Plant Material and Horticulture Technical Notes within the Wyoming eFOTG at this site:
