**TECHNICAL GUIDE NOTICE WY - 99**

**Purpose:** This notice transmits the following changes to conservation practice standards in Section IV eFOTG and to technical notes in Section I eFOTG:

**Major changes to these standards**

**Integrated Pest Management (595):** This standard was reviewed and revised to change the WY Agronomy Technical Note reference from No. 22 to No. 30 – Pest Management in the Conservation Planning Process. The previous version of the standard is archived in the eFOTG Section IV Archive Folder.

**Major changes to technical notes**

**Agronomy Technical Note No. 30:** This tech note was added to the eFOTG and should be referenced when planning practice 595.

**Effective Date:** This notice is effective when received.

**Filing Instructions:** The revised conservation practice standards and forms are electronically filed in the Wyoming eFOTG at this site:
